

***Challenges Payment options explained ***

Each of the challenges can be funded in two different ways. You will need to decide which option is best for you.

Option A – Raising a minimum sponsorship

Pay a registration fee, and then raise the minimum sponsorship amount for Weston Hospicecare.

You must send 80% of the minimum sponsorship amount to Weston Hospicecare prior to the date of the challenge, and you should also let us know of the pledges for the remaining 20% prior to your event. All outstanding sponsorship must be received within six weeks of completing the challenge.

Option B – Self-funding option

Pay a registration fee, and then the cost of the challenge must be paid out of your own money prior to the date of the challenge.

Although there is no minimum sponsorship required, we ask you to raise as much sponsorship as you can. Any sponsorship collected must come directly to Weston Hospicecare.
